A Backpack of My Own

Backpacks Needed for Foster & Adoptive Families

Children and Teenagers coming into foster care often come to their foster families with nothing to call their own.

“When you arrive at a home...everything there belongs to ‘someone’.... THERE.. NOTHING is just YOURS. It helps to arrive with some THINGS that are JUST yours. Sharing is great and a must in learned behavior, but you got to have something before you can learn to share,”

Remembers Mandy
- in foster care for 6 years,
adopted when she was 10
years old.

You can make a difference!

Help provide filled backpacks to families and students of the following agencies:

Foster, Adoptive and Kinship Families of Larimer County, and Weld County Children's Services

We, as the body of Christ, can step in and meet this need.

Drop Off Dates:

July 28/29 and August 4/5

"Truly I say to you, to the extent that you did it to one of these brothers of Mine, even the least of them, you did it for Me." Matthew 25:40
